## 5 Participation in individual events

All swimmers who have a valid territorial license with the territorial federation to which their club belongs will be able to participate.

Participation will be limited to 280 participants. Once this number is reached, the organizing club will close registrations. At the same time, another competition will be opened in Leverade to manage the waiting list to consider new registrations in case of cancellations. These will be done in strict order of registration.

Foreign swimmers with a valid license in their respective federation will also be able to participate.

Each swimmer may participate in a maximum of 5 individual events.

The 800m freestyle event will be limited to 5 heats, 40 swimmers. There will be mixed swimming and one swimmer per lane.

## 6 Relay events

The same swimmer may not participate in two relay teams of the same event, even if they are from different age groups.

Swimmers in pre-màster age group may only participate in pre-màster age group relays (80-99).

Swimmers over the age of 24 may participate in pre-màster age group relays as long as the sum of the ages of the 4 components does not exceed 99 years old.

Teams in mixed relays will consist of 2 men and 2 women.

The clubs must send, together with the registration, the composition of the relay teams.

Changes may be made in the order of the relay up to 15 minutes before the start of the competition.

## 7 Registration prices

The following prices will be established:

**50m and 100m events**  
**200m events**  
**800m events**  
**Relays**

# 8 Registrations

Registrations will be made through the LEVERADE portal.

Participating clubs must attach by email the registration file and the duly completed settlement sheet (natacio@aquamasters.cat).

Registrations with a time of 59:59:59 or NT will not be accepted. In this case, the club that requests the registration must send together in the email with the registrations, an estimated start time.

The relays registration will also be done through the LEVERADE portal and attaching by email their composition, indicating the event, age group and gender. Relay composition sheets will be provided to clubs along with these regulations.

Foreign clubs will send their registration by email to natacio@aquamasters.cat

All clubs must send the settlements sheet indicating the number of individual events and total relays.

Registration fees must be paid by bank transfer to the following account number, indicating OPEN-AQM and the name of the club making the bank transfer:

**ES97 0081 0470 0900 0132 9543**

Two registration opening periods are established:

1. Clubs or federations attached to FCN
2. Clubs "open". Clubs attached to other RFEN territorial federations (state participation) or clubs belonging to other state swimming federations affiliated to WORLD AQUATICS (international participation).

Registration opening for clubs affiliated to FCN: **03th April 2023, 10:00h.**

Registration opening for all clubs: **05th April 2023, 10:00h.**

Registration deadline (all periods): **21st April 2023, at 23:59h.**

A provisional list of registrants will be published on 24th april, 2023.

Clubs may request modifications for detected errors until 26th april at 16.00h.

After the publication of provisional lists of registrants, no changes to the events of participants already registered will be allowed.

All participants who only take part in relays must register for the 50m freestyle event.

## 9 Competition rules

The events will be swum against the clock. The results will be grouped by age based on the mark achieved.

Heats will be made according to the registration times without distinction of age groups.

Events will be swum by the single start system.

Swimmers will remain in their lane inside the water after their event. The referee judge will authorize the swimmers to leave the pool after the start signal for the next heat has been given.

## 10 Awards

The organization will establish the following awards, both for male and female genders. The punctuation system used is the "catalan table".

A swimmer may not opt for more than one award. In cas a swimmer is registered for several specialities and becomes a winner, s/he will only receive the award for the speciality where s/he has obtained the highest score. At the same time, in case the general winner is also the winner of another speciality, s/he will only receive the general winner award.

- Award Absolut General (highest score based on "catalan table")
- Award Fly Specialist (50, 100 and 200 fly)
- Award Backstroke Specialist (50, 100 and 200 backstroke)
