Fax: +41 22 562 99 99

The emails provided must be the same ones each athlete used for their registration, and all athletes must be registered for the same race.

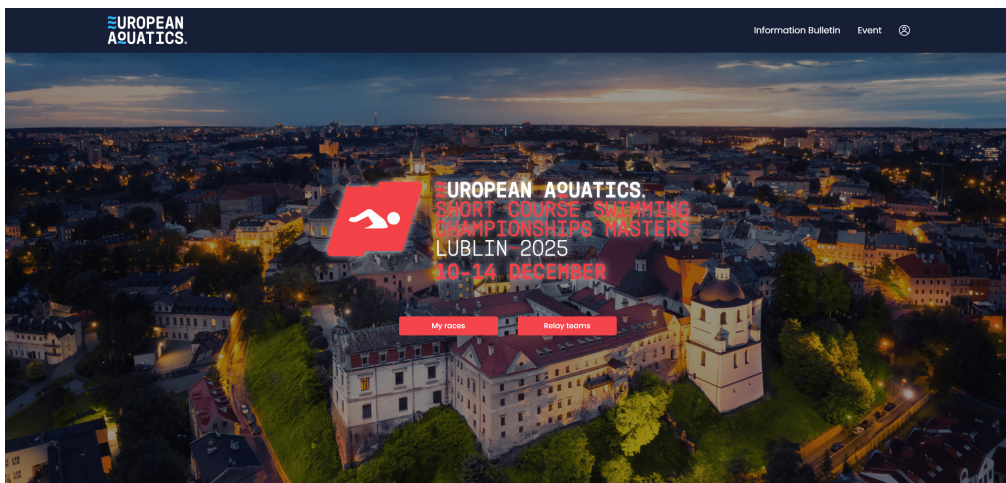

- A success message will be displayed if the team is created.

By clicking the "View relay list" button, you will have access to the list of teams you are participating in.

Confirming 400/800m:

- To confirm your races, you must click the button in the center of the screen called "My races".

- A table will be displayed with the complete list of races you are registered for. You must then click the "Confirm attendance" button in front of the race you want to confirm.
